

Hackers Anonymous Sprint 2 Scrum Notes

Recap of Scrum meeting on October 2nd, 2019:

Delegate and assign main tasks for Sprint 2.

Jack and Cody will do the backend for the game.

Evan will handle the front end as he is the most experienced with Vue.

Patrick and Kareem will handle documentation as we received a large grade loss due to a lack of it in Sprint 1.

Recap of Scrum meeting on October 10th, 2019.

Discuss current progress on the backend.

Have Patrick get the proper game piece pictures for the board.

Update documentation as needed.

Recap of Scrum meeting on October 16th, 2019.

Briefly discuss current tasks everyone is working on.

Recap of Scrum Meeting on October 25th 2019.

Remind everyone to close their tasks when complete.

Backend is nearly complete.

Patrick and Kareem are to keep updating the documentation.

Recap of Scrum Meeting on October 30th 2019.

Discuss what tasks can be finished this sprint and which must be put in the icebox.

Meet up this weekend to finish up everything else and prepare for the presentation.
